Rev. Nakayama Arrives At Okinawa for Mission Work

On his way to Okinawa, Rev. G. G. Nakayama of Coaldale, Alta., arrived in Tokyo, Japan, on May 23 and remained there for nearly a week before proceeding to his destination.

He visited Japan two years ago and compared to then, he notes, the country is very visibly improved. The reconstruction program is proceeding, although slowly, and the people seemed more settled. One thing that is the same, he observed, was that trains and subways and other means of transportation were just as crowded as ever.

Despite the fact that there is a war in Korea, there is less evidence of war than there was two years ago and the people, at least on the surface, seem unaware that there is fighting on the Asiatic mainland which was once a part of Japan and only 300 miles away.

One noticeable change in regards to the international situation is the Japanese security police. Its existence shows that all is not too well despite the surface appearance.

Rev. Nakayama left Haneda Airport midnight on May 30, and arrived in Okinawa six hours later where he was met by other members of the Okinawa mission. He is staying at the home of Mr. Seiwa Oyama, a former resident of Coaldale, Alta., who is now operating a garage on Okinawa.

He noted that the condition on Okinawa, too, is greatly improved, however there is still an extreme housing shortage and that although food is more plentiful, prices are so high that people cannot afford extras.

Rev. Nakayama may be reached by writing c/o OMAT, Apo 719, c/o Postmaster, San Francisco, Calif.

The Dog Days are here . . .

I don't think there is a more terrifying thought than heat . . .

Tomorrow is the day when the season of heat officially opens. The heat will then officially seethe, boil, scorch, broil, blaze, smolder, parch, stew helpless people in its pitiless wake.

Then it will be time to think of something cool: a beach in a lonely South Pacific atoll with the waves lapping at the shore; the aching blue depths of quiet deep water; a tall drink in a tavern with the lights turned down real low; an ice-cream sundae delightfully rimmed with fruit.

But in the big city, the heat steams up from everywhere. From the burning asphalt, the melting tar, the searing steel. Men and women curse and sweat impotently in suffocating factories and stuffy offices while the sun beats on and on . . .

Heat waves dance on the cement. Heat burns into scorching rubber throwing off a sickening unhealthy odour. Heat scorches the naked flesh leaving an angry scarlet painful blush.

Heat transforms limping streetcars into bad-smelling livid sweltering hives of suffering humanity. Heat sends long lines of scraping honking screeching cars out on the burning highway in an agonized exodus out of the smoking city in a search for relief.

Sweat turns shirts into damp rags and starched collars into wilting leaves; sweat turns cotton summer dresses into wrinkled sacks; sweat turns people into disheveled grimy irritated animals.

More Pen Pal Letters Received From Japan

More Pen Pal letters from Japan have been received by The New Canadian office written by girls and boys wishing to correspond with Niseis in Canada. Any persons wishing to write to Japanese pen pals should write to The New Canadian, enclosing a stamped self-addressed return envelope. Copies of the Japanese letters will then be forwarded.

Baby Born Amid Car Wreck, Dies Later

OAKVILLE, Ont. — A baby boy was born in the tangled wreck of a car to a Nisei mother on the Queen Elizabeth Highway one mile east of here on June 15, but died the following day. The mother is now recovering from shock.

Mr. and Mrs. Robert Nishino of Oakville were riding in the rear seat of a car driven by Joseph Duff, also of Oakville, when the vehicle struck a deer which dashed on to the highway.

The car overturned and the Nisei couple were trapped in the rear. Nishino broke the rear window to get out while Duff ran for aid. Meanwhile the baby arrived while the mother was still trapped in the car.

The mother and the baby, wrapped in an overcoat, were removed through the rear end window and rushed to the hospital by a police cruiser.

First Nisei To Receive Ph.D. in Canada, More Now Taking Post-Grad Studies

At least 16 Nisei and Japanese students were carrying on with graduate studies during the past term in at least six universities across Canada. They included three Niseis who were working for their Doctor of Philosophy degrees.

Miss Irene Uchida became the first Nisei to receive a Doctor of Philosophy in Canada when she was awarded her doctorate at the University of Toronto recently. Although a few Canadian Niseis have won this high scholastic honor in the U.S., this is the first to be awarded a Nisei by a Canadian university. Miss Uchida received her doctorate in genetics, and is now at the Sick Children's Hospital in Toronto.

Two other Niseis are at present working for their Doctor of Philosophy. They are Miss Margaret Nishikawara of Toronto, in physiology at the University of Toronto, and Bob Hikida in agriculture at the University of Manitoba.

Enrolled in post-graduate courses at the University of Toronto were Miss Toshiko Shirai, Miss Mariko Tokunaga, Miss Michiko Hasegawa, A. Nishio, George Takata, Naoyuki Yoshida, Saburo Takahashi and Edward T. Uyeno. Miss Shirai, Miss Tokunaga, Miss Hasegawa and Nishio are all believed to be in social work while Uyeno is in social science. The others are in engineering courses. Miss Shirai, Miss Hasegawa and Nishio are students from Japan.

Miss Shirai has received her Master of Arts while Takata and Yoshida have won their Master of Applied Science degrees.

Hiroshi Tsuyuki received his Master of Arts at Queens while Ken Hisaoka of Raymond received his Master of Science in Zoology at the University of Western Ontario in London.

Other Nisei students known to have been doing post-graduate studies although it is not reported if they received degrees are Mitsuru Katayama at the University of Alberta and Tomo Naka and Susumu Tabata at U. B. C.

140 Words Per Minute Shorthand, Can't Get Job

LODI, Calif. — A 17-year-old high school girl, Marjorie Nagaoka has qualified for certification by the Gregg Shorthand Co., as capable of taking 140 words per minute during a five-minute period and transcribing notes with 96 per cent accuracy—but she is unable to get a job.

While other girls with less ability are finding employment, she is unable to get a position, her teacher, Miss Violet Stenson declared recently.

"It is an exceptional achievement, very few qualify for the Gregg certificate," Mrs. Stenson added, "No one here can remember when the last Lodi High School student qualified."

GLOBAL GOODWILL THROUGH FOREIGN STUDENTS

The impression one receives from many and frequent visitors from Japan is that except for general topography and that it is an expansive but sparsely settled country north of the United States, not much is known about Canada among the people in Japan. And the sad fact is that this lack of knowledge is common among those who are supposedly better informed.

There is no doubt that Canada lies in the shadow of the world's most highly productive and industrialized power in the world. But this alone cannot be accountable for the hazy and often misinformed view held by those in Japan and elsewhere abroad. Main trouble is Canada has done little drum-beating on her own behalf and has made only a listless effort to gain recognition.

The United States, on the other hand, has an active foreign policy intended to gain confidence and goodwill. That it is accomplishing what it set out to do is clearly indicated by the general attitude of esteem and gratitude held by the people of defeated Japan towards her conquerors.

Education of foreign youth is such an important part of that policy that the U.S. State Department fosters an international exchange of students through its specially established Office of Educational Exchange. The U.S. not only welcomes foreign students to utilize American educational institutions but encourages them through fellowship grants. By so doing, the gain is mutual for the student receives an education which otherwise would not be available to him; on the other hand the U.S. profits as the student returns to his homeland with a true and better insight of the American way of life.

During the past school term more than 700 students in Japan were enrolled in U.S. schools as a result of American munificence and its far-sighted valuation of its eventual result. In all probability this number will be increased when the next term begins in the fall.

Canada's parallel effort is shoddy in comparison. There are only four known students from Japan temporarily in Canada attending some university here. And these few students have come to Canada to study through the assistance of Canadian church bodies, not as a result of any encouragement on the part of the Canadian government.

It would be to Canada's great advantage in the form of goodwill from abroad if she would shed her half-heartedness and embark on a more vigorous policy to earn international respect and recognition. Such a step would pay off in a better and truer respect and understanding of Canada. And the aforementioned disadvantage of geographical location should be all the more reason to strive for keener appreciation and approval from other lands.

There [illegible] real need [illegible] in respect to Asia. Since [illegible] nationalism has arisen there and [illegible] western [illegible] we have [illegible] [illegible]

Global Student Exchange Corrects Picture of U. S.

Washington

Ideas conveyed through the international exchange of students are building one of the most effective bulwarks of democracy, according to State Department officials intimately concerned with the exchange.

One reason given is that Russia has directed its propaganda against the United States in an effort to discredit and destroy American prestige in other countries by presenting a false picture of America's motives and principles.

"In the face of such attack, international exchange of ideas has now become big business for this country," Dr. William C. Johnstone, Jr., said in an interview at the State Department. Dr. Johnstone is director of the Office of Educational Exchange of the Department of State.

"The exchange of students, teachers, lecturers, specialists, and leaders of thought in many fields," he said, "is an integral part of United States foreign policy."

Accurate Picture of Ideals

Radio, press, and motion pictures are all competent instruments for conveying ideas to other countries. However, Dr. Johnstone emphasizes, "There is no substitute for person-to-person contact."

This enables citizens of other countries to come to America to observe for themselves how democracy functions and to make a first-hand estimate of American motives and attitudes. Teachers, students, and specialists from the United States are enjoying the same opportunities in other lands. By direct contact with persons they meet abroad, they are also able to present a more accurate picture of Americans and their ideals.

The letters in Dr. Johnstone's office indicate how the program is building understanding and good will.

An American teacher of English in France on a Fulbright fellowship and a grant from the French Government wrote that he had been trying to "fill in the film panorama between the Park Avenue penthouse and the 'Grapes of Wrath' impression between the frontier and modern technocracy, between American materialism and American aesthetics."

Teamwork in U. S.

This teacher said he tried to convince his students that the Marshall Plan and similar plans are not motivated by cynical American self-interest and to show them that the high standard of living in the United States is not due entirely to materialism but to a great extent to the spirit of teamwork.

Among the other letters in the State Department files illustrating the value of the program was one from a student from New York studying at Cambridge, England, under a Fulbright fellowship. He said that he likes to talk with the average man on the street, exchanging information on working hours, living conditions, unions, and social services in the United States and England.

He added: "Don't forget the average Englishman's library of information about the United States is the films, and while the movies may be in glorious technicolor, the research behind them is not always of the highest order."

Friendships Result

Students who come to the United States take back to their own countries information which will make a contribution in a specific field as well as an accurate first hand concept of America. At the same time these visitors bring to such groups as Rotary, Kiwanis, local college clubs, and women's organizations important understanding of the problems of their people, and often lasting friendships result from these contacts with American groups and hospitality in American homes.

A French student who came to this country summed up his impressions of Americans: "An unbelievable incentive to hard work, mostly under pressure, a constant urge to improvement, an acceptance of all regulations and of free competition, coupled with the resources of this country seem to explain the physical power. But this would be useless if it were not accompanied by a basic optimism, a strong belief that every dream can be true."

Ask "CARE" Aid For Korean War Victims

Ottawa — The need for Korean aid, stressed by Paul Comly French, Executive Director of CARE, on his recent visit to Canada, was again emphasized by Dr. Young Tai Pyun, Minister of Foreign Affairs of the Republic of Korea when he visited the United States recently.

Dr. Pyun, a noted educator, appealed for CARE packages to "save millions of Koreans who otherwise are doomed to perish."

While in New York, Dr. Pyun attended a series of meetings in support of the CARE-for-Korea program, through which contributions sent to CARE, 73 Albert Street, Ottawa, are used to provide clothing, textile, blanket and food packages for Korean war refugees and other needy civilians.

"If the direction now being pointed to by CARE is persistently and intensively pursued, Korea, I am certain, will stand not a battered tomb of freedom but a proud monument eternally witness to the triumph of the human will", Dr. Pyun concluded.

Japan's Richest Men

TOKYO — The richest man in Japan is Tokujiro Ishibashi, chairman of the board of directors of the Japan Tire Co., in Kurume City, Fukuoka Prefecture, with a reported wealth of 246,502,000 yen or about $700,000. His brother, Shojiro Ishibashi, also a top man in the Japan Tire Co., is second with [illegible],000 yen. The latter's son ranks fifth.

Emperor Hirohito ranks in the middle of the list of millionaires with more than 5 million yen with 25,600,000 yen.

These figures were revealed as the results of a net worth tax survey conducted by the Tax Administration Board of the Finance Ministry.

The survey revealed that there are 16 multimillionaires with more than 100,000,000 yen. Five of them are in Nagoya, while four are listed in Tokyo and three in Osaka.

One of the 16 multimillionaires is a woman, Taka Iwasaki, widow of the late Baron Koyata Iwasaki, of the former [illegible] house, whose wealth [illegible] her the ninth richest person [illegible].

Others include Kichi[illegible] Sumitomo, leader of the [illegible] Sumitomo banks; the pearl [illegible] Kokichi Mikimoto. There are also presidents of steamship [illegible] panies, forestry owners, [illegible] ers and mine-owners.

The Limit Is 200

The Nisei can get starry-eyed or stage-struck like anyone else and vision themselves before grinding cameras or first-night audiences. But they don't have to step in front of a mirror to break the spell.

Japanese faces have limitations, maids, houseboys, enemy soldiers. And being up in Canada adds to the handicap.

But we think we are a [illegible] for these N[illegible] [illegible] the [illegible]. In a [illegible] they expect to have television in Canada under the CBC. And if they follow the CBC radio program pattern, they'll have a [illegible] of drama.

And with [illegible] spotlight on the Far East and people of Asiatic countries there will be a need of a few actors and actresses with Oriental faces, at least it's more than likely. Unlike radio, they've got to have authentic faces. That New York Sansei TV actress has made three dramatic appearances recently as proof of their need.

Even Hollywood today is demanding more Japanese actors, [illegible] [illegible] [illegible] now on location, and if any experienced and suitable Nisei actresses were available [illegible] part [illegible] have gone to a Nisei.

Anyway, we think television [illegible] the [illegible] for the talented Nisei.

小さい石の橋をくぐって入った。背のひくい枝がまがりくねった松を前景に置いて方丈らしい白かべの大きな建物が立ってゐる。ひっそりとして、人のゐるやうな氣配はない。道路にこけが美しくひろがってゐるのを、細い綱でかこって、見物人が踏まないやうにしてある。飛石つたひに行くと、自然と、案内所の前に出るのだった。年寄の男がひどく退屈さうに小屋の内にゐて、拜觀料を拂ふと切符をくれて、

海外へ米國へ草木もなびく
無駄な役人や實業家の派遣檢討

海外出張が多過ぎるという吉田首相のツルの一聲で閣議は外貨節約を申合せ、來年のオリンピック派遣人員の數にも再檢討が加えられるそうだ。この内閣は老いたツルが一聲鳴かぬことには何事も動かぬらしい

實際のところアチラへ〳〵と草木もなびくようにアメリカその他への海外旅行は近頃目に餘るものがある。最近の旅行番號を見ると六千臺になつている

旅券を發行し始めたのが一九四七年四月だから、それからの四年間に六千人ということは一年に千五百人、一日に四人強の日本人が毎日々々海外に旅立つている勘定だ

この中にはガリオアによる留學生や旅費向う持ちの丸抱え組もあるが、多くは紡績女工が汗でかせいだ貴重な手持外貨を使用しているわけだ。海外へ出ても外貨をかせいでくる點では藝能人と商社駐在員くらいなものだ

國富にゆとりさえあれば外國を見てくるのもよい。アメリカ見學なども眼力のしつかりしている人ならためにもなるが、ケタはずれに國力の大きな國のことがそのまゝこの小さな「敗戰國家」には應用のきかぬことが多いのだ

役人や實業家やキッス研究家などがぞろぞろとアメション・パッション旅行に行くよりは、オリンピックにスポーツ選手を送る方がよほど氣がきいている

ロサンゼルス大會には選手一三一、役員六二、ベルリン大會には選手一八〇、役員六七という大陣容だつたが、これは「國威發揚」のために政府が派遣した形だつた

こんどの五輪大會行きは役員を減らすことゝ民間參加の精神を忘れたくはない。民間で調達した旅費でも外貨に違いないが、何でも政府補助金にすがる氣持だとオリンピック派遣も政府主催と勘違いさせる。大ナタを振うなら先ず政府の足元の役人やお化粧勉強の淑女方だろう（天聲人語より）

沖縄の旅記
元氣そうに見えて落ちついた東京人（三）

中山吾一

ウエーク島を見學したのちパンアメリカン機は五月二十三日の夕刻、五十名の乘客を東京の羽田飛行場に無事着陸させてくれた。動搖一つしない靜かな空の旅であつた。

滿二年ぶりに見る東京。幾分か落ちつきを見せて、着々と復興しているようだ。食事情が改善されたせいか、みんな元氣そうな顔をしている。すぐ近くの朝鮮にあれほどの戰爭があるのに、人々は落ちつきはらつて、まるでどこに戰爭があるかと言つたような氣配である。と言つても二年前になかつた國防警備隊は軍隊式に訓練されているし、いざという時に備えて何かと準備されているには違いない。

東京滯在の一週間は可なり忙しかつた。乘物という乘物は地下鐵も電車も皆いつぱいで油斷していたら、一日中立つていたつて乘れやしない。すしづめの乘物で、すつかり疲れてしもう。私はカナダ公使館、聖公會教務院、神學校、立教大學、飛行會社等を訪ね、又教會を訪問した。日曜日には大森聖公會と埼玉縣松山町の教會で説教した。教會では常置委員會を開いてくれ、目白聖公會における映畫と講演會には多數の牧師や教會の指導者が集つてくれた。立教小學校に有賀千代吉主事を訪れたが、千五百万圓で大きな校舍を新築中で、まさに日本一のキリスト教小學校として着着發展しつつある。有賀先生も全く白髮となられたが元氣いつぱいである。東信夫君をも訪れた。弱い夫人のために苦勞しているが共同通信の重要な位置にいて忙しく働いている。東牧師も元氣で耳は大ぶ遠くなられたが、樂しいカナダの信仰の友について語り合い共に祈つた。人手が足らぬのであ[illegible]て弱[illegible]

日本に來て感ずることは如何に教役者が必要かということである。人々は心を開いてキリストの教を求めて居るのに働く人が極めて少ない。カナダの日本人の間から二世の傳道者をどしどし日本に送つてもいい筈だ。私など取るに足らぬ者なれど人の多い日本や沖縄の救のために働く事は大局から見ると或はそれが神の御旨かも知れない。[illegible]教會を助[illegible]

日本國籍離脱

—手續きの簡易化に就て—

カナダに永住する以上はカナダの市民籍をとつて（歸化して）、氣持の上でも法律上でも立派なカナダ市民となり、その特權を十分に享受し義務を果すべきであること、そしてカナダ市民となつているからには、二重國籍となつている日本の國籍（カナダ生れの人で日本にも入籍してある分をもふくめて）を離脱する手續きをするがよいことは、ニューカナディアンが度重なる記事や社說で人々にすゝめ、またその手續きについては日系市協にも協力して援助してきているところである。これに應えて多くの人々がカナダの市民籍を受け、可なり面倒なる日本國籍の離脱手續きを行つているのは喜ばしいことである。

いつたい、國籍の離脱は、歸化によつて新らしい國籍を取得するのと同様に、個々人の身分上の重要事であり、そう簡單に行われてよいわけはないのであるけれども、日本という、カナダとは異なる國の異なる國籍法や取扱手續規定を持つ國を相手の屆出であるために、「カナダ流」には行かぬ、多くの不便があるために、自然、手續きがおつくうになり、これを怠つている向きも相當に多いことと思われる。

そこでニューカナディアンでは、この手續きを出來るだけ簡易化することについて、日本政府當局その他と交渉し、既に最近オタワに開設された日本政府在外事務所とも具体的に交渉をすすめる用意をしているが、去る三月三日付で日本政府外務省管理局在外邦人課に宛て、[illegible]事例を纏めて問合せてあつた所に對し、今週返事が届いた。これには、

「國籍離脱其の他戸籍手續等につき加奈陀在留邦人のために種々御盡力の段誠に厚く御禮申上げます。お陰をもつてカナダ在留邦人については比較的スムースに事務が進捗して居りますが何分遠隔のことで時日を要し連絡に兎角不便の嫌いがありますが近くオタワに日本政府在外事務所開設の曉は同事務所に直接御連絡の上今後共よろしく御協力の程切にお願い申上げます」と前置きして、こちらから箇條書きにして問合せた要項に對し次の様に回答してきた。

（一）歸化人の國籍喪失屆

△國籍喪失屆の屆出人は在住地の如何に拘らず日本國籍を有する配偶者又は四親等内の者から適當屆出に便宜なるものから屆出でさせるがよいと思う。右屆出の資格を有する者が居らない場合又は屆出の資格を有する者が居ても所在不明の場合等には、喪失者本人又は直系者等から屆出をなさしめ、届書に右の事由を記載するか又は理由書を添付すればよい。

△一九五〇年七月一日から戸籍法の一部が改正され、日本國籍を有する配偶者又は四親等内の者から屆出をすることが出來ないような場合には、戸籍法第百五條の規定によつて在外事務所等から本籍地市町村長宛に國籍喪失の報告をすることによつて戸籍の記載抹消がなされることになつている。

△だから、屆出の資格を有する者が居らない場合又は居つても所在不明等の場合には右の事由を具して國籍喪失屆を提出すれば、右の取扱に代えて戸籍記載抹消をなすことが出來る。

（二）カナダ生れの二世の日本國籍離脱屆

△十五歳以上の者は本人が提出すればよい。十五歳未満の場合、屆出人は父母である（外國人であるときも）。屆出人の資格を證する書面として右の者の父母（法定代理人）であることを證明する、例えば出生證明書を添付し、屆書の屆出人欄に父母双方が署名捺印（又は拇印）する。右の場合父母が日本人であつて戸籍を異にしているときは父母の戸籍謄本を別に添付する事を要する。

（三）二世にして日本國籍のあることを知らぬ場合

（この事に就ては、カナダにいる二世のうち親が日本にも入籍してあることを本人は知らない者があることを述べて、何等かの特別便法を設け、たとえば期限を切つて日本籍保留を希望する者には改めて屆出でさせ、その屆出をしない者は日本籍を保留する意志なき者と認めて彼の日本籍を抹消する、というような方法により所謂二重國籍を整理することは考えられないものかどうかを問合せたのであるが、これに對する回答は次の通りである。）

△二世[illegible]日本國籍のあることを知らない人があることは特殊の事情にあるから一應已むを得ないことと[illegible]る。自分が二重國籍者であるか單にカナダ國籍保有者であるかは一九二四年十二月一日以降の出生者については領事館を經由して出生屆が提出されたか否かによつて決定せられているのであり、本籍地から戸籍謄本を取寄せて調べるほかなく、それは本人の自覺に待つほかなかろう。

（四）屆書の署名ナツ印

（これについては、カナダでは本人のサインですべての事が通るのであるが、それが日本でも適用できないものかどうかを問合せたのである）答えは次の通りである。

△署名ナツ印の件は各國でそれぞれ法律を異にして居るから一概に言えない。日本法では署名した上ナツ印することが原則とされて居る。印を有[illegible]「署名を有[illegible]」旨[illegible]理由を記載[illegible]署名[illegible]ことが出來ない場合は、氏名を代書して右の事由を附記し拇印を押すことが認められている。署名のみで拇印も押してない屆書は受理されないことになつているから此の點特に注意を要する。外國在住邦人が日本法律に暗いため簡單な手違いのため已むを得ず返戻している例の多いのは遺憾だが、身分上の取扱は個人にとつても重要であるから不備な屆書は受理することが出來ない。

西海岸漁區の保護確立さる

對日講和條約中に一項を設けて

講和後日本の漁船がカナダおよび米國西海岸までおしかけてサケやハリバットなどを濫獲するのではないかということが米加西海岸の漁業關係者にとつては大きな問題となつているが、日本政府では今年二月「吉田・ダレス大使間往復文書」によつて講和後日本は自發的に處置をとつて漁場保存につとめることを約したのでその文書はカナダでは好反響をもつて迎えられたことは既報した通りであるが、米加の西海岸漁場保存のため對日講和條約にハツキリと一條文をいれて日本漁船の濫獲をふせぐこととなつたことが明らかにされている

カナダ側では滿足

カナダ西海岸の漁場保存の爲に關する對日講和條約草案に就てメイヒュー漁業相は先般ワシントンにダレス大使と會談結果、漁業問題に關するカナダ側の意向を十分に認め、條約中に之をハツキリとさせている條文にも滿足してオタワに歸つたのであつた、條約中にふくまれた漁業個條によると日本漁船は米加の保護漁區に立入ることを禁じており西海岸にまで就漁することは必然的に禁止されていると同時に米加の漁船も日本近海で就漁することは出來ないという相互的な漁場保存の條約である

英米遂に同歩調へ

ダレスの雅量を稱讃

【ロンドン發】全幅的な意見の一致を見た對日講和問題に關するダレス・モリソン會談の結果によつて、極東における全體的・英米關係は新たな段階に向つて進んでいくであろうと英米双方の外交筋では評價している、英米會談でもつとも難解點とされていた「支那をどうするか」という問題さえ兩國ともに滿足な解決に到達し得たということは英米の大きな歩み寄りだとされている、過去において極東における連合國の政策に英國が果す役割はきわめて微力なものであつたと考えていたし、マ元帥が連合國總司令官だつたあいだは英國は日本の問題については「影の人物」的な役割しか與えられなかつた、ところがこの狀態は一變され、ダレス大使は新しいふんい氣を作つた、そして對日問題に關する英米會談では、英國にダレス大使が同等の立場で發言論議することを許したことは英國外交筋では驚異だと見ている、このダレス大使の雅量と會議における態度によつて英國は大きな讓歩を行い、對日および對支那の米國案を承認するに至つたのである、米國案というのは日本が十六または十七カ國と講和を結んだならば自主國家となるのだから日本は二ツの支那、すなわち中共か臺灣かのいずれと講和を結ぶかの選擇を任せようということになつた

朝鮮空中戰

厄介な殘留者へ 最後の投降勸告

西部太平洋のアナタハン島では十八名の日本人がまだ敗戰を信ぜず機關銃を備えて頑張つているが、米國海軍ではこの六月三十日までにこの島をふくむすべての米海軍管理下の島々の行政を米内務省に移管することになつているのでそれまでにアナタハン島にいる十八名の日本人を何とか處分しなければならず、最後的なサレンダー勸告をやつてそれでも聞かなければ攻擊するほかはなかろうという

人氣ない米大統領

【プリンストン發】マ元帥解任にともなう賛否兩論が百出している折柄、米國世論調査が全米の投票者にツルーマン大統領の人氣調査を行つたところ、ツルーマン大統領を支持する者はタッタ二十四パーセント、支持しない者が六十一パーセントで餘す十五パーセントは分らないという結果を示し、大統領の人氣は今までの最低を示している。

Teams Still Deadlocked In Toronto Nisei Baseball

Robbies and Best Cleaners rolled along like Old Man River to their third straight wins against no losses in the Toronto Nisei Sunday Baseball League last June 17 and remained in a tie for first place. Next week's schedule which pits the undefeated leaders against each other will see one team toppled from the tie.

In the first game of the twin bill at Christie Pits, Robbies on the strength of a five-run rally in the fourth inning when they were trailing 3-6, managed to beat Club TNT 8-6. Sumi Sora's foul-line double which drove in two runs in this inning was a hotly disputed point.

The rally nullified losing pitcher Tom Yatabe's grand-slam homer in the second inning which had staked TNT to an early lead. Joe Togawa and Joe Motokada were other TNT players who reached Monk Nakama who doled out three hits in reaching his third straight verdict. For the winners, Aki Saisho rapped out a double and a single to pace the attack.

Robbies	8	5	2
TNT	6	3	2

Monk Nakama and Don Mitsunaga; Tom Yatabe, Jack Tanaka (4) and Joe Motokado.

Best Cleaners swept to an easy 13-0 shellacking over Pearl's Credit Jewellers as the latter team committed seven miscues. The potent Cleanermen were led by George Inata who drove in four runs with two hits. Tammy Hayakawa's triple was the lone bright spot that pierced the gloom for the losers.

Best Cleaners	13	8	1
Pearl's Credit J	0	3	7

Ken Nakamichi and Harold Miwa collaborated in spinning the three-hitter for Best Cleaners with Kaz Aoki behind the plate while Nagano, Mickey Kaneko and Bob Maeda all paraded to the mound for the losers.

In a slugfest that saw a total of 26 hits, Busseis were plunged deeper into the cellar with their third loss in a row as they succumbed to a 13-7 loss to the Hurricanes.

Hurricane pitcher Sossy Miyaki helped his own cause by getting two hits while teammate Junichi Negoro garnered two hits and four rbi's. In outhitting the winners 15-11, Busseis' Bob Hikida hit three for three including one double while Koichi Suyama got two for three.

Brother Pitchers Star In Toronto East End

Two of the better pitchers in Toronto east end sandlot loops are the Kitamura brothers, Vic and Art, who have been winning their share of games.

Vic pitches for the East Riverdale Midgets while kid brother Art toils on the mound for the Peewees. In last Saturday games, Vic pitched a four-hit 3-1 victory and Art turned in a 14-9 win allowing seven hits.

Spurns Pro Ball Offers, Prefers Teaching Job

OMAHA, Neb. — Major league scouts are trailing 23-year old Nisei Hawaiian southpaw Henry Tominaga who recorded a no-run no-hit game earlier in the spring for Springfield College with a pen and contract but reports are that he will spurn their overtures. He is in Omaha with his college team participating in the college champion series.

Tominaga is set on finishing his physical education course at Springfield and return to Hawaii to teach rather than play pro ball. His coach says that the Nisei has a "world of slow stuff" and is one of the smartest southpaw pitchers in college ranks.

Nishikawa, Mary Ebata Top YBS Tennis Club

First seeded in the list of the Toronto YBS Tennis Club players this year is Tomio Nishikawa who will be out to defend his crown at the coming tournament on July 1 while champ Mary Ebata tops the feminine side of the roster.

Following Nishikawa are runner-up Mas Fukumoto, semi-finalists Tiger Matsui and F. Fujiwara, [illegible] Dee and Yo [illegible], Sab and Roy Kubo. As the rankings are tabulated from last year's tournament, many upsets may be registered with vastly improved players like Mossy Masaki, Don [illegible], Shig Sora, Roy Shin, George Takeoka, Mojo Matsumoto and Mits Oishi.

In the ladies' seeded list, Ginny Kawasaki, Tomi Miyasaki, Chie Yanagisawa, Mich Isozaki, Tosh Takasaki, Amy Tsukamoto and Kay Fujiwara follow in order. Contenders who may crash into the select circle are Kay Mitsuhashi, Grace Hayashida, Kay Okazaki, Chie Inamoto, Penny Fukuzawa, Mimie Fujita, [illegible] Terakita, and Fuzzy Ohashi.

Yo Mori, Grace Shimizu, Mary Shikatani, Mary Ishitani and [illegible] Betty [illegible] and Pat Sano have also joined the Saturday morning rookie group.

U.S. NISEI SLANG

By Mary Oyama

In a facetious mood at a party we mentioned something about "yogores" and "bochies" to friend Mas Koyima who sighed nostalgically. "By golly, I haven't heard those two words since I left Japanese town. It's been a long, long time."

To the uninitiated, we might point out that "yogore" is a Nisei American slang word derived from an abbreviation of "yogoreta nezumi" a literal translation of the American "dirty rat." Definitely a derogatory term you apply it to some no-account as "a stinking yogore." The word is also used to describe the ne'er-do-well or toughie types amongst the younger set, thusly: "Is he one of those downtown yogores?"

Harry Honda of the Rafu Shimpo once aptly described the building leaner oners who hang around the corner of E. First & San Pedro, in the heart of L.A.'s nihon-machi (Japanese town) as "those hand-in-pocket yogores."

Our friend Kimi from Spokane, Wash., tells us of her first encounter with the word: "One day some of our local Washington boys looked out the window remarking, 'Looky, here goes some of those California yogores!' I looked out curiously wondering what they meant and what do you suppose I saw? [illegible] dark-looking Nisei kid[illegible] funny duck-tail haircut[illegible] and zoot-suit style drape shape pants."

"Bochies" means "Japanese" people or nihonjins, abbreviated to "botch" (botch-style, botch boy, etc.) which some of the elder Japanese Issei deplore as derogatory. We do not know whether the term is a contraction of "Bodda-head" or [illegible] perhaps some one could enlighten us.

We have a [illegible] "yogore" (yogoray) [illegible] in Southern California, or more specifically [illegible] Angeles.

Juniors Come Up With 2 More Wins

The brightest light in the Western chain continued to shine brightly as they took a pair of wins after a short lapse in recent encounters. Both were well-pitched efforts as the Juniors downed Mimico 8-4 last week and came back to beat [illegible] this week, 5-1.

In the earlier triumph, lefty Ken Ikeda poled his way to a one-hit while [illegible] for the [illegible] with two on to account for [illegible] to win.

Ken Oishi in the later contest held the opposition to three hits [illegible] over the seven innings [illegible]. Major Fukumoto, the promising youngster who is [illegible] a coming senior performer, clouted two hits to lead the seven-hit attack.

Japan Movie Survey

Box-Office Returns Indicate Popularity of Hollywood Films

TOKYO — Box-office records indicated the popularity of Hollywood films in Japan in a recent survey. The increase of foreign movie houses throughout the country was also noted with about 600 or about 20 per cent of the total of 3,000 movie theatres. Before the war such theatres only numbered 1.8 per cent.

Foreign films imported last year numbered 185 with Hollywood productions at top with 137 pictures. 20 films were from France, 18 from Britain, five from Italy, two each from Soviet Russia and Argentina.

Top choices by fans were "Little Women", "The Yearling", "Easter Parade", "Snow White and the Seven Dwarfs".

French films, the prewar favorite among intelectuals and students, were represented with "Manon", "La Symphonie Pastorale" and "Silence est d'or".

Postwar movie lovers were surprised with the brilliant English productions including "Hamlet" and "Red Shoes".

Italian films included semi-documentary productions such as "Shoeshine", "The Bicycle Thief" and "Open City".

Of the postwar trend of Japanese movies, the most popular theme seems to be "Boy Meets Girl". A survey of themes of 597 feature pictures during the past five years substantiated this.

On top of the list is "romance" with 150 pictures, followed by "cheap sentimentalism" (involving feudal bondage and other tear-drawing situations), comedy, "samurai" stories, and "whodunnit" series.

Another feature of the postwar movie trend is that pictures setting their stages in the feudal ages have declined conspicuously. Only 84 or less than 20 per cent of the total have been such films.
